

## **ASSI Policy Statement Number: 09**

**Effective date of Implementation:** 16 August 2006

**ASSI File Reference:** UK/X/J/86/02 – Policy Statements

**Subject:** Territory Aircraft Registers

**Rationale:**

ICAO, in recommendation AIR/10 of its Audit of UK and the Territories, required the UK to maintain a record of the aircraft registered in the Territories.

The UK accepted this recommendation and this Policy Statement is intended to give effect to the recommendation.

**Policy Statement:**

To ensure that the UK is aware of the contents of the aircraft registers of the Territories, ASSI will maintain a copy of all such registers of aircraft. It will be updated as a result of information received from DCAs.
